

Milan

Superior strength and timeless elegance

SHADE7
premium outdoor living

The Milan is a commercial grade outdoor umbrella, purposefully created to withstand some of the toughest environments.

Our commercial strength Milan outdoor umbrella is purpose-built to endure the toughest environmental conditions. The Milan, a center pole version of our Riviera v3 cantilever umbrella, features exceptionally strong fiberglass arms that can flex and bend with high winds and rough treatment. Its robust 50mm anodised aluminum center pole provides the strength and stability needed for exposed locations. Ideal for coastal environments in both residential and commercial settings, the Milan is easily operated with a premium rope and pin system, utilising highly durable stainless steel pulleys and rust-resistant components.

Milan advantages

- Rust free stainless steel pulleys and components
- 5 year back-to-base warranty on the frame
- European made acrylic canvas fabric with 10 year warranty*
- Super strong fibreglass arms and fittings
- Heavy-duty 3mm thick, 50mm diameter aluminium pole
- Designed to withstand the toughest environments
- Stunning design using the finest quality materials

5yr warranty for commercial use

*5yr warranty for commercial use

Commercial quality

The Milan outdoor umbrella is designed for strength and durability, making it perfect for commercial settings. With over 25 years of expertise in designing, engineering, and exporting premium outdoor umbrellas, the Milan embodies excellence. It features a 20-micron marine-grade anodized aluminum mast and rust-resistant fiberglass arms. The umbrella's rope and pin system, equipped with heavy-duty stainless steel pulleys, ensures reliable operation in commercial and coastal environments. Additionally, we use the highest marine-grade fabrics for our canopies, guaranteeing maximum longevity under the sun.

Printing & branding

We offer seamless screen printing of your business logos and artwork onto your umbrella. Our advanced printing techniques ensure vibrant, rich colors and precise color matching to your brand. We use high-quality inks to maximize durability, ensuring your logos remain vibrant with minimal fading over time.

Optional accessories

45kg concrete filled base
Our most popular base for large umbrellas or windy locations. Rust-proof design featuring an aluminium spigot.

Premium wheeled base 45kg (double stacked)
A beautifully designed galvanised steel base featuring a polished stainless steel spigot & wheels.

Clip-on LED smart light
USB rechargeable LED light with motion and light sensors. Great for night-time entertaining.

Cover bag
Highly recommended and easy to use. Will double the life of your umbrella fabric.

Installation options

You have the option to use your umbrella with a freestanding base or install it using one of our removable spigot or in-ground fitting systems. The base plate is securely bolted to a timber deck or concrete patio, with the removable spigot then attached to the plate. For added versatility, you can install multiple fittings, allowing you to easily relocate the umbrella for different seasons or events.

Removable in-ground fitting
For installation in ground. Pipe fitting can be easily removed leaving behind only the flush ground fitting.

Removable spigot system
For installation onto a wooden deck or concrete patio.

European made acrylic canvas

Our premium solution-dyed acrylic canvas comes with a 10 year warranty and has the best available colour fastness rating of 7-8 out of 8³. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.
