

# Paraflex

The clever umbrella for urban spaces

**SHADE7**  
premium outdoor living

## Versatile and stylish, the Paraflex wall-mounted umbrella is the ideal shade solution for urban spaces.

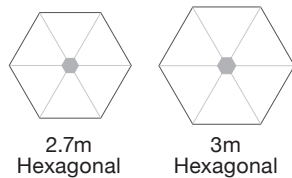

The Paraflex is the perfect solution for shading small, low-wind areas like balconies, courtyards, or outdoor patios where space is limited. Simply attach this wall-mounted sun umbrella to a post, wall, or building for versatile, effortless operation without the need for poles or bases.

Designed and manufactured in Belgium, the Paraflex is easily adjustable and can be tilted and repositioned throughout the day to provide optimal shade. It features premium marine-grade aluminium and stainless steel for exceptional strength and durability. Every Shade7 Paraflex umbrella package also includes a high-quality black protective cover bag.

### Paraflex advantages

- 2 year warranty on frame defects and faulty workmanship
- Marine-grade materials guarantee longevity
- Anodized aluminium finish is salt water resistant
- Rust-free and no paint or powder coating to crack or chip
- No umbrella post maximises space in tight areas
- Elegant and sporty styling, unobtrusive when collapsed
- Removable in seconds with easy “lift lock” bracket
- Light-weight (7kgs)

### Specifications & technical information

2.7m Hexagonal

3m Hexagonal
