

Venice

The perfect sun umbrella for NZ conditions

SHADE7
premium outdoor living

The perfect outdoor umbrella for tough commercial environments and windy locations.

What sets our elegant, attractive Venice umbrella apart is the uniquely designed, heavy duty 12mm fibreglass canopy arms. These fibreglass arms can bend and flex making the umbrella super durable and able to withstand wind and rough treatment. This sun umbrella also features strong resin and stainless steel parts and an easy to use rope and pulley system for opening and closing.

Our Venice Tilt umbrella has been specially fitted with a winder operated tilt system, which allows you to tilt the canopy at a 60 degree angle - giving you flexible shade coverage as the sun moves across the sky.

Venice advantages

- Lightweight and extremely durable fibreglass arms
- Strong 38mm dia. aluminium pole with 2.2mm wall thickness
- Venice - 5 year back-to-base frame warranty
- Venice Tilt - 3 year residential back-to-base frame warranty*
- European made acrylic canvas fabric with 10 year warranty*
- Heavy duty resin and stainless steel parts
- Post can be split into two halves for easy storage/transport
- Easy to open and close with rope and pulley system
- Rust free aluminium and fibreglass frame
