

# GAZEBOS

the best portable shelter for people on the move

Premium  
Quality and  
Exceptional  
Value

**SHADE7**  
premium outdoor living

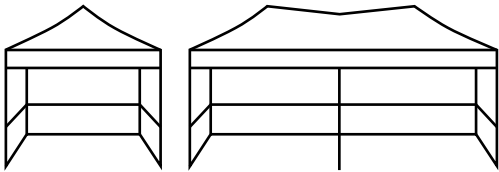

# Whether it's rain or shine, we have you covered!

Shade7's range of pop-up Gazebos are the perfect weather protection for your family holiday, sports team, school, or business.

## Branding and printing options

Turn your Shade7 Gazebo into the ultimate marketing and advertising tool by having your own branding or logo printed on your marquee! Digital printing is available to polyester canopies and walls. This allows for all-over coverage, custom colours, and photo quality graphics. You supply us with your requirements and logos and our designers will prepare a layout that will really get attention and maximise your brand exposure.

## Available in two sizes

**3m x 3m**

**Coverage:** 9m<sup>2</sup>  
(10 people standing)

**Weight:** excludes walls  
Commercial = 29kg

**6m x 3m**

**Coverage:** 18m<sup>2</sup>  
(25 people standing)

**Weight:** excludes walls  
Commercial = 48kg

## Shade7 Gazebo advantages

- All Gazebo frames are RUST FREE as they are made using marine quality, anodised aluminium for maximum durability.
- Available in 3m x 3m or 6m x 3m sizes.
- 5 standard colours available and unlimited printed colours.
- 5 years warranty cover on the frame and components.
- Maximum strength and durability.
- 'One piece' frame design so no small parts to get lost.
- Affordable logo printing and branding available.
- Easily set up or collapsed within 60 seconds.
- 'Easy-on' Velcro walls available.
- Premium 600 denier polyester used for roof and walls.

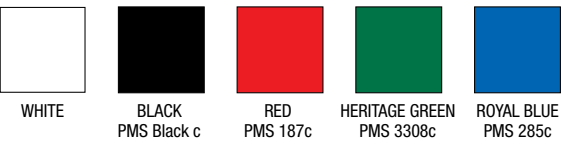

## Gazebo roof qualities and options

All Shade7 Gazebos use the same premium quality 600 denier polyester materials for the roof and walls which makes them among the best quality Gazebos available.

### Key benefits include:

- Fire retardant • Highly water resistant
- Double polyurethane coating • High UV protection rated UPF 50+
- Excellent fabric for printing • 1 year warranty on plain or printed polyester roofs and walls

### Polyester Colour Range

## Perfectly designed to meet your every need

### Commercial Aluminium Gazebo

Our multi-purpose Commercial Aluminium Gazebo is perfect for everyday rough and tough use. Light enough to be easily moved around and transported; yet strong enough to handle tough commercial or sports environments.

Available in both 3m x 3m and 6m x 3m sizes.

Superior  
strength and  
durability

Reinforced aluminium crossbars

Hardened aluminium feet

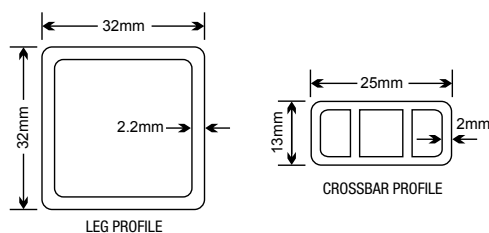

Easy push-up buttons

Stainless steel bolts

## Commercial Aluminium Gazebo

- Strong 32mm x 32mm aluminium marquee legs with 2.2mm thickness.
- Sturdy 25mm x 13mm aluminium crossbars with 2mm thickness.
- Crossbars are made with internal reinforcing 'ribs' for extra strength.
- Maintenance and rust free aluminium frame.
- Easy to transport and erect.
- 5 year warranty on frame and components.
- Weight: 3m x 3m = 29kg, 6m x 3m = 48kg.
