

STELLAR

ultimate shade flexibility

SHADE7
premium outdoor living

THE STELLAR CANTILEVER UMBRELLA WITH ITS ADVANCED DESIGN AND ENGINEERING, OFFERS THE ULTIMATE IN SHADE FLEXIBILITY.

Creating and controlling shade has never been easier than with the Stellar. This very popular cantilever umbrella is designed to give maximum shade flexibility for your home and is both easy and quick to operate.

The Stellar offers seven different tilt angles from left to right, as well as a full tilt adjustment back towards the mast, all in conjunction with a 360 degree rotation. Using these innovative features the umbrella can be cleverly positioned to maintain the shade over your outdoor area as the sun moves throughout the day.

STELLAR ADVANTAGES

- Unique ability to tilt left, right, and back to provide shade from multiple angles
- 2 year residential back-to-base warranty on the frame
- Premium quality 100% solution-dyed polyester with 5 year warranty
- Strong powder coated aluminium frame
- Option to install onto a deck or concrete patio
- Stunning design using excellent quality materials

INNOVATIVE AND EASY TO USE, THE STELLAR IS THE PERFECT RESIDENTIAL CANTILEVER UMBRELLA.
