HORIZON

residential cantilever umbrella

SHADE7

premium outdoor living

INNOVATIVE AND EASY TO USE,
THE HORIZON IS THE PERFECT
RESIDENTIAL CANTILEVER UMBRELLA.

The Horizon umbrella has been cleverly designed and developed to rotate 360 degrees and be tilted to 7 different side-to-side angles providing complete shade flexibility. Constructed with a durable powder coated aluminium frame and a premium solution-dyed polyester roof, you will be able to enjoy this umbrella for many years.

HORIZON ADVANTAGES

- Unique ability to tilt to 7 different angles left and right
- 2 year residential back-to-base warranty on the frame
- Premium O'bravia® solution-dyed polyester fabric with 3 year warranty
- Option to install onto a deck or concrete patio
- Spring-loaded arm end-fittings to keep your canopy taut

FRAME 2 YEAR WARRANTY

FABRIC 3 YEAR WARRANTY

FEATURES

The Horizon cantilever umbrella has become one of the best-selling residential cantilever umbrellas in NZ. What makes the Horizon so popular is its versatility and clever design. The umbrella has a unique design that enables the canopy to be tilted left and right to 7 different angles and can also be rotated 360 degrees. With this much flexibility you can almost always put the umbrella is the right position to give you the shade you want as the sun moves during the day.

EASY TO USE WINDER

FOOT OPERATED ROTATING SPIGOT

AUTO-TENSIONING ARM END FITTINGS

RUST-FREE ALUMINIUM ARMS

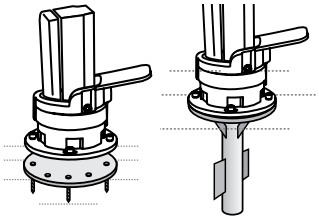
UNIQUE SIDE-TO-SIDE TILTING FUNCTION

INSTALLATION OPTIONS

Your Horizon umbrella comes fully assembled in the box that it is delivered in. There are three different ways to install your umbrella. Firstly, you can use the Horizon umbrella with a free-standing base. Secondly, you can install your Horizon onto a timber deck or a concrete patio using a base plate. Or finally you can install into the ground or into pavers using an in-ground fitting set in concrete.

PREMIUM FREESTANDING BASE

Freestanding 85cm x 85cm base with aluminium cover. Weighs approx. 230kg with 12 x pavers added, (40x40x5cm). Pavers not included.



BOLT TO CONCRETE PATIO OR WOODEN DECK, OR IN-GROUND FITTING OPTION

COVER BAG

Highly recommended and easy to use. Will double the life of your umbrella fabric.

**Colours with red colour pigmentation (red, orange, yellow etc) will have lower colour fastness than other colours and will show some fading earlier.*

CANOPY FABRIC

STANDARD COLOURS:
O'BRAVIA® SOLUTION-DYED POLYESTER FABRIC
For our standard colour fabrics we use a premium grade polyester by O'bravia® and comes with a 3 year warranty against fading. These fabrics are highly colour fast, durable and water resistant.

NON-STANDARD COLOURS:
PREMIUM SOLUTION-DYED ACRYLIC CANVAS
All non-standard colour fabrics use our premium marine-grade fabric. This fabric comes with a 7 year residential warranty and has the best available colour fastness rating of 7-8 out of 8*. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.
